

In order to try and eliminate as many allergens as possible – we have used “free from” ingredients as standard in many of our dishes.

The # symbol next to any dish will contain an allergen. Certain symbols with #\* means we can eliminate the allergen from the dish – please ask your server. We pride ourselves on homemade fresh dishes so if you do have a specific dietary concern we can create something delicious and safe for you to enjoy.

Please note that whilst every effort has been made to ensure that the allergens listed are not in the ingredients of a dish – we cannot guarantee that all dishes will be free from traces of allergens in the cooking environment. If you have a severe allergy to any ingredient, please alert your server so that we can do our utmost to guide you to a safe option.
