

In order to try and eliminate as many allergens as possible – we have used “free from” ingredients as standard in many of our dishes.

The # symbol next to any dish will contain an allergen. Certain symbols with # means we can eliminate the allergen from the dish – please ask your server. We pride ourselves on homemade fresh dishes so if you do have a specific dietary concern we can create something delicious and safe for you to enjoy.*

Please note that whilst every effort has been made to ensure that the allergens listed are not in the ingredients of a dish – we cannot guarantee that all dishes will be free from traces of allergens in the cooking environment. If you have a severe allergy to any ingredient, please alert your server so that we can do our utmost to guide you to a safe option.
